Death on the Rail.

A horrible accident occurred here last Thursday morning, by which a brakeman by the name of F. M. Lay lost his life. The deceased was bracing on the freight and accommodation train which passes here going south at 2:30 o'clock in the morning, and by some means while the train was on the bridge, fell between the cars and was run over by the upper part of the body, the head and arms being severely mutilated. The accident occurred on the second span of the draw of the railroad bridge, and the body had the appearance of having been dragged some ten feet or more, though death must have been instantaneous. He was not missed by his comrades until the train reached Erin, when his conductor notified the north-bound passenger train, which was stopped, and a request made for a lookout to be kept for him. The watchmen at the bridge found the body on the track when he went out to signal the 7:30 train that morning. We understand that the deceased was a citizen of Bowling Green, Ky. "Squire Caldwell on being notified, summoned a jury of inquest and a verdict was rendered as above.

Death of Miss Katie Quarles.

The relatives and friends of the family, in this city, were deeply pained to learn of the death of the lovely and estimable young lady whose name heads this article, which came, untimely event occurred at St. Cecilia Academy, at Nashville, Tenn., at 3 o'clock on last Monday morning, of typhoid fever. She was stricken down while on a visit to her two sisters, who are inmates of the Academy, having taken the veil several years ago.

The deceased was the second daughter of Mr. G. M. Quarles, of a Christian county, Kentucky, and a niece of Gen. W. A. Quarles, of this city. She was a young lady dear to all who knew her, possessing a brilliant mind and the most lovable traits of character, all of which were happily adorned with those shining Christian virtues which make up the full complement of a noble womanly life. She was the life and light of her family circle, and her untimely death leaves a sorrow in many hearts which no time can ever erase.

Her remains were taken to Christian county and interred Tuesday afternoon in the old family burying ground on the place of Dr. J. E. Bell, near Oak Grove. The sincere sympathy of many friends in this city is extended the surviving family in their sad affliction.

MR. HENRY C. HERNDON, a resident of the southern portion of Christian county, and well-known to many of our citizens, was acquitted in the Circuit Court of Christian county, at Hopkinsville, last Thursday, of the charge of manslaughter, preferred against him for the killing of a negro named Buck Bell, near Oak Grove, July 5, 1880. The jury returned a unanimous verdict of "not guilty," on the grounds of justifiable homicide. Mr. Herndon's friends in this vicinity were glad to hear of his acquittal.

On Sunday last a reporter of this paper attended church at Antioch, on the Southside. Rev. J. D. Barbee, of this city, preached one of the ablest sermons that we have listened to for a long while. The church was comfortably filled and the large congregation gave the minister their strictest attention throughout.

At the close of the sermon the hospitable people spread a bountiful dinner—enough for all and some to spare. The meeting has been continued since by the pastor in charge, Rev. B. M. Stephens, with prospects of a good revival.

Messrs. Fussell, Besley and Hawkins will meet in joint discussion in this city next Friday, the 29th inst. Come in and hear Fussell, the brave young standard-bearer of true Democracy.

We learn that we are to have some excellent entertainments at the Opera House during the coming season. Several troops have already made engagements.
